It's been a year  
since I answered  
without thinking.  
"No, it's not red."

That was the  
first time I'd  
ever yelled at  
a complete stranger

To say that's  
the "first time"  
in 25 years

THIS HAS BEEN  
ON MY MIND FOR  
SOME TIME, BUT  
DO YOU HAVE A  
VOICE PITCH,  
OFHEARD-SAME?

HMM?

WELL...

YOU'RE  
NOT OLD  
FOR THAT  
POUR-  
HEHE

HAHA  
BUT YOU  
A GIRL

friend

YOU'RE WRONG.  
THERE'S NOT  
CHEERY WORDS,  
BEING IS MY  
BESTEST FRIEND

BUT HOW TO  
EXPLAIN IT?  
BEING-OWN  
VOICE IS...

gloom

ALSO,  
I DON'T  
KNOW

gentle

CLOSING  
BY HIS  
ADVERTAGE,  
YOU WOULDN'T  
WASHE IT'S  
LIKE THAT

BUT HIS  
DEEP  
HUSKY  
VOICE

I CAN'T (SORRY FOR EVERYONE) BUT I THINK IT'S BEST NOT TO FORCE YOURSELF TO FORGET HER IF YOU DON'T WANT TO DO THAT

FOR EXAMPLE, EVEN IF YOU ARE THINKING ABOUT THAT CELEBRATION AS SOMETHING IMPORTANT IN YOUR LIFE,

Like I'm singing,

IT DOESN'T NECESSARILY MEAN YOU LONG FOR YOUR PARTNER IN THIS MANNER, DON'T YOU THINK?

AT LEAST THAT'S WHAT I THINK

in a whisper

fabricating lies.

and you'll see that drinking tea may still be a huge weight off your shoulders

You could still love your partner more and more every day, without having to forget who married your partner.

WHAT'S WITH ALL THIS  
GIVE TO GIVING AND  
RECEIVE. AS IF IT'S  
MUTUAL.

My  
Feelings  
are—

all  
mixed  
up

SEE YOU  
TOMORROW  
THEN?

Since I  
realized,

my feelings  
have been all  
messied up.

SOMEONE  
IS WORKING  
PUNCHED ME.

WHAT?

IT'S  
PROBABLY  
MY FAULT.

THAT'S  
JUST IT.

I ALREADY  
TOLD ONE OF  
HIS DATA.

HEAVENLY  
KINDNESS  
OFFERED  
A

DO  
YOU  
KNOW  
SOMETHING?

HEAVENLY  
KINDNESS.

WROTE  
AND  
YOUR  
ALREADY  
AND

TAKE  
IT  
OUT  
FROM  
YOUR  
POCKET

YOUR  
HAND.

and really  
embarrasses  
me

Oh...  
Then your  
hand?

Is your  
hand in-  
your?

SLAM

He messed  
up all my  
feelings.

Actually,

back then...

Back then too... But back then, and all this time...

This voice...

Somehow, this voice...

why?

Even  
though...

DESTINY  
KUN...

...I like  
him.

WANT TO  
DANCE,

COULD  
YOU...

PLEASE

◆  
Mutual  
thoughts  
are  
now the  
closest  
to this  
voice.

Something just happened with that girl. I want to meet her. Can you?

Rather, both guys and girls who could appreciate his unique sense of justice.

were infatuated with him.

Don't mind it. You should always wear a hat.

I was right in the midst of a rebellious period.

My brother wasn't a charismatic person.

Don't do it anymore, okay? That's the deal. I'll stay with you for the rest of my life.

Don't worry. I'll stay with you for the rest of my life.

Then, chocolate cake? You like it, right?

My brother was sprinting down the path of homosexuality and living destructively.

Instead of making the best of his brains and his skills with the piano.

A few days after I said that.

SHUT UP AND GO ON, PAPA!

If you appeared here,

you were in for a beating.

HEY, YOU! ONLY WITH CHOCOLATE CAKE TO GO!

my  
brother  
really did  
suddenly  
die.

and the  
fact that my  
father didn't  
come to the  
hospital...

The  
stitch  
of bile  
from Akiba  
continuously  
vomiting.

That was  
the only  
reality I  
could com-  
prehend

Subsequently, I  
understood that  
my father had  
probably escaped  
after realizing that  
the other party  
whose car was  
involved in the  
accident was  
related to the  
yakuza.

IT'S  
SETTLED

NOT TO  
HIT THE  
BODY

Compared to those dramatic events, I did nothing whatsoever, and remained the same.

The sudden death of my brother, and the disappearance of my father.

We were probably

If I'd reflected on it calmly, I'd have realized various things.

Perhaps due to the shock of losing them, it was like curtains had dropped over the windows, and my rebellious period drew to a close.

It's weird not having any memories of speaking with my dad, with his introversion being the sole reason. No matter how you think about it, that's a typical case of neglect.

...not a normal single-family household.

from the view-  
point of a shel-

I only  
understood  
that when the  
ambulance medic  
handed me  
a well-worn  
cap...

...with the logo  
of a well-known  
pizza chain as  
though he re-

something

What I  
saw...

...with regards to  
my brother stop-  
ping his studies  
and the piano, not  
returning home  
often, and living  
irresponsibly.

I didn't think it was beautiful nor sad, but just that it was "an empty family," as if it didn't concern me.

I didn't grow over my family that was in pieces, since it was a fact that it was doomed to fall from the start.

**Sekiya Masahito (26)**  
Capricorn / O Blood Type / 177 cm

A rebo personality with a same voice. He thinks that Shibata releases a ton of negative ions. When he doesn't do it with Shibata periodically (Note: living it with Shibata is equivalent to being recharged), he becomes a young man who is easily angered. He's actually a very affectionate guy at heart. His place is chic and decorated in dark tones so as to be taken. The m...  
He's relatively submissive.

**Shibata Ryou (31)**  
Libra / B Blood Type / 174 cm

A guy with a voice full of, is a shop manager, and easy-going. He can handle rather difficult tasks with an easy touch. He doesn't like cooking at all, so he likes getting food from others. He likes strange muscats and the like. He's not gay per se, but has been encouraged by his successful relationship. He isn't particular about his place, so it's filled with interesting things that he's bought, just because they're interesting.

# Nitsu Akitsu (32)

Libra / A Blood Type / 175 cm

He has the widest range of work experience. He is naturally a total bore, has a slight inclination for doing as he wishes, and likes to meddle in serious things. He's like the type of plant that opens its flowers as soon as you give it water.

# Tsubame Yahiko (23)

Scorpio / O Blood Type / 186 cm

Sade's secretary and bodyguard.

Special skills: Soccer, Winning Eleven, Rock-paper. He has been gay from the start, and is the main breadwinner of his family. He's an all-round guy that can do all sorts of things, but is a cheerful idiot.

### Opikawa Yusei (26)

Sagittarius / Blood Type AB / 175cm

He is a sales representative for a company, and the type who was really popular while in college. He hates painful, scary stuff (because he's a sadist). Just 80 seconds after he thought he wasn't interested in guys and the film, his natural sadist kicked in and his interest was awakened. I use large when I'm on my best behavior so I refer to myself as "koba", but I usually use "ore".

### Kameda Aoi (25)

Virgo / Blood Type O / 182cm

He is a metal engraver who works irregularly and only about 50% of his work is metal engraving. He is good with his fingers and other parts of his body. He is childhood friends with Shinobe, is also watching over him, his bodyguard, and spanning partners. He isn't really a masochist.

### Cat (1)

The cat is called "Cat."

**Nekajou Shino bu (29)**  
Gemini / Blood Type O / 176cm

He calls himself an "alternative yakuza" (Haku), but the truth is unknown. He was most likely born out from the start (his father is well). Doesn't know his mother, nor what she looks like. He has almond-shaped eyes, and his hobby is sports in general. He is in charge of cooking. He is cursed by nature, and a naturalist. He is grounded in rationality and believes what must be done should be done.

**Sada Takasaki (29)**  
Cancer / Blood Type O / 182cm

He is a yakuza. Since he was taken in by a branch family, his surname isn't Nekajou. He was originally straight, and has drooping eyes. His hobby is reading and he's in charge of cleaning up. He is the type to treasure his family and will remove and discard anything he dislikes.

### Postscript

The plan for this book began when I did something about wanting to draw a collection of stories. After deciding on a title, I intuitively knew how I would organize the book. Everything came together naturally around one main theme, and I aimed for it to have an ensemble cast just like a movie. I designed the cover for this manga together with a friend I knew from school, and the editor took a huge gamble by letting me be involved with the entire design, so I really felt a sense of accomplishment at the end, as though I had produced a movie. I'm extremely thankful to everyone who has given me all of these opportunities.
